HGV Drivers Class 1 (C+E) **Bawsey Mill, Kings Lynn**

Basic Salary: c.£24.5k - £29.2K

Overtime: x 1.5

Additional Benefits: Company Pension, Life Assurance, Discretionary Bonus Scheme.

Shift Pattern: 4 shift rotating system Mon – Sun (42 hrs). Optional 3 shift rotating pattern available dependant on seasonality.

Background

2Agriculture are offering an exciting opportunity for HGV Drivers to join their transport team at Bawsey Mill. Following a period of growth and investment at our Mill we are recruiting 12 new permanent drivers.

About 2Agriculture

2Agriculture is an independent milling business which has been supplying feed to the poultry industry for the past 50 years.

Service is at the heart of the team at 2Agriculture where over 250 employees work across five sites. Our feed mills operate to the highest standards set for product quality, with a specialist production team monitoring output ensuring zero or minimal mill downtime. Our fleet of over 40 Lorries operate 24/7 ensuring feed arrives on time and in full, with a real focus on bio-security prior to delivery, on site and during departure.

Role Profile

The role of the HGV Driver will ensure a safe, customer focussed, effective delivery and collection of company products and raw materials in both an efficient and safe manner complying with all relevant legislation in order to deliver business objectives.

Key Responsibilities include;

- Perform all duties with due and constant regard for the Health and Safety of yourself, other employees, and those with whom your duties involve contact, including customers and other road users.
- Deliver the company's products as scheduled by the transport planner to customer premises ensuring all customer requirements are met. Discharge products in accordance with the instruction on the delivery ticket or as advised by the customer, ensuring bio-security is adhered to at all times.
- Collect raw materials as scheduled by the transport planner from farm, port or stores.
- Complete daily vehicle and trailer checks for defects prior to taking the vehicle on the road to ensure it is in a roadworthy and legal condition.
- Notify the transport team promptly of any faults disclosed by inspections which are considered to merit immediate attention. All details of defects must be entered into the vehicle defect log.

- Weigh the vehicle in and out on the mill weighbridge to ensure that the vehicle is loaded as per details on the M-Tech computer system to prevent a negative impact on customer requirements.
- Keep the vehicle and trailer clean by steam cleaning and sanitising to ensure all hygiene requirements are met to prevent a negative impact on quality standards.
- Liaise with other operational areas to ensure the efficient flow of information.
- Drive continuous improvement, proactively reviewing current methodology and opportunities to improve efficiency, safety, quality and performance.
- Complete all relevant documentation relating to each day's work and return to the transport team to ensure compliance with current road haulage legislation and company policy and procedures.
- Undertake any reasonable task related to the delivery and collection of company product as required and as directed by the transport management team.

Essential Skills and Experience Required

To be successful in this role, the desired candidate should demonstrate the following skills and experience.

Job Requirements;

- Valid HGV Class 1 (C+E) Licence.
- Valid CPC and Digital Tachograph Card.
- A working knowledge of Drivers Hours and Working Time Directive Legislation.
- Strong demonstrable skills and experience as an HGV (C+E) driver.

If you are interested in applying for the post, please send your CV to Ashley.Lee@2agriculture.com. Please note, due to the volume of applications we will only be contacting the candidates selected for interview.
