2Agriculture are offering an exciting opportunity for a Night Loader to join the team at Llay Mill on a permanent basis. It is a fantastic time to join 2Agriculture and play a key role in realising our ambitious growth plans.

About 2Agriculture

2Agriculture is an independent milling business which has been supplying feed to the poultry industry for the past 50 years.

Every day here at 2Agriculture we work with talented, dedicated colleagues to produce sustainable, premium quality feed enabling our farming partners achieve the highest standards of poultry and positively impact on our health, communities and the environment.

Service is at the heart of the team at 2Agriculture where over 250 employees work across five sites. Our feed mills operate to the highest standards set for product quality, with a specialist production team monitoring output ensuring zero or minimal mill downtime. Our fleet of over 50 Lorries operate 24/7 ensuring feed arrives on time and in full, with a real focus on biosecurity prior to delivery, on site and during departure.

Role Profile

The Night Loader ensures the efficient loading and unloading of company products and raw materials in a safe manner complying with all relevant legislation in order to deliver business objectives.

Day to day you will be supporting the transport team by discharging the raw materials they deliver into the mill and by loading the vehicles with finished feed ready for the following shift to deliver. This will involve weighing the vehicle in and out on the mill weighbridge to ensure that the vehicle is loaded as per details on the M-tech computer system. In addition, you will consistently complete all relevant documentation relating to each day's work and return to the transport team to ensure compliance with current road haulage legislation and company policy and procedures.

You will be required to notify the transport team promptly of any faults disclosed by vehicle inspections which are considered to merit immediate attention, ensuring all details of any defects are entered into the vehicle defect log. A vital aspect of this role is performing all duties with due and constant regard for the Health and Safety of yourself, other employees, and those with whom your duties involve contact.

Essential Skills and Experience Required

To be successful in this role, the desired candidate should hold a valid HGV (C+E) Licence, CPC Card and Digital Tachograph Card. You should have a working knowledge of Drivers Hours and Working Time Directive Legislation and be able to demonstrate strong skills and experience as an HGV (C+E) driver preferably with bulk blower experience.

If you are interested in applying for the post, please send your CV and cover letter to HR@2agriculture.com. Please note, due to the volume of applications we will only be contacting the candidates selected for interview.
