

Transport Manager Llay Mill, Wrexham

Basic Salary: DOE

Additional Benefits: Company Pension, Life Assurance, Discretionary Bonus Scheme.

Shift Pattern: 40 hours per week, Monday to Friday. Additional hours may be required to fulfil the needs of the role.

2Agriculture are offering an exciting opportunity for a Transport Manager to join the team based at Llay Mill. It is a fantastic time to join 2Agriculture and play a key role in realising our ambitious growth plans.

About 2Agriculture

2Agriculture is an independent milling business which has been supplying feed to the poultry industry for the past 50 years.

Every day here at 2Agriculture we work with talented, dedicated colleagues to produce sustainable, premium quality feed enabling our farming partners achieve the highest standards of poultry and positively impact on our health, communities and the environment.

Service is at the heart of the team at 2Agriculture where over 250 employees work across six sites. Our feed mills operate to the highest standards set for product quality, with a specialist production team monitoring output ensuring zero or minimal mill downtime. Our fleet of over 40 Lorries operate 24/7 ensuring feed arrives on time and in full, with a real focus on biosecurity prior to delivery, on site and during departure.

Role Profile

The Transport Manager will lead the transport team to ensure the efficient and cost-effective delivery and collection of finished products and raw materials in order to deliver business objectives, with responsibility for 42 drivers operating 13 vehicles across several shifts.

Throughout this role you will have the opportunity to utilise your management skills to drive consistently excellent performance to deliver KPIs for Safety, Quality, Service and Cost whilst promoting an inclusive culture that is focused on employee engagement. Day to day, this will involve setting targets, undertaking regular appraisals and dealing with absence, capability and disciplinary matters. You will continually motivate and support the team by encouraging professional development and providing consistent feedback.

A further aspect of this role is managing the transport scheduling, planning delivery schedules in accordance with drivers hours to maximise utilisation of company resources, this will involve liaising with the mill production team, customers and suppliers to ensure an efficient flow of information so all internal and external requirements are met. You will have the responsibility to ensure the transport fleet is run within the Operator

Licence Guidelines and that all relevant documentation relating to each day's work is completed to ensure compliance with current road haulage legislation and company policy and procedures.

Essential Skills and Experience Required

We are looking for someone with a working knowledge of Drivers Hours and Working Time Directive Legislation with strong experience of leading a team in a similar role, preferable with a Transport Manager CPC or equivalent.

You should have an interest and understanding of others, with the ability to establish good relationships with customers and staff, building wide and effective networks of contacts. With strong initiative you should be comfortable producing new ideas, approaches or insights and a range of solutions to problems.

If you are interested in applying for the post, please send your CV and cover letter to HR@2agriculture.com. Please note, due to the volume of applications we will only be contacting the candidates selected for interview.
