

Flexi HGV (C+E) Driver Stoke Ferry, King's Lynn

Salary: £37,066 per annum

Working Hours: 48 hours per week

Shift Pattern: Flexible shift pattern working 4 shifts over 7 days. You will be required to work both day and night shifts.

Contract: Temporary, Fixed Term Contract

Background

2Agriculture are offering an exciting opportunity for a Flexi HGV Driver to join the team at Stoke Ferry Mill on a temporary basis. It is a fantastic time to join 2Agriculture and play a key role in realising our ambitious growth plans.

About 2Agriculture

2Agriculture is an independent milling business which has been supplying feed to the poultry industry for the past 50 years.

Every day here at 2Agriculture we work with talented, dedicated colleagues to produce sustainable, premium quality feed enabling our farming partners achieve the highest standards of poultry and positively impact on our health, communities, and the environment.

Service is at the heart of the team at 2Agriculture where over 250 employees work across six sites. Our feed mills operate to the highest standards set for product quality, with a specialist production team monitoring output ensuring zero or minimal mill downtime. Our fleet of over 50 Lorries operate 24/7 ensuring feed arrives on time and in full, with a real focus on biosecurity prior to delivery, on site and during departure.

Role Profile

The role of the Flexi HGV (C+E) Driver will be to ensure a customer focussed, effective delivery and collection of company products and raw materials in both an efficient and safe manner complying with all relevant legislation to deliver business objectives.

As an HGV Driver you will deliver the company's products as scheduled by the transport planner to customer premises ensuring all customer requirements are met. Following this you will discharge products in accordance with the instruction on the delivery ticket or as advised by the customer, ensuring biosecurity is always adhered to. You will also be required to collect raw materials as scheduled by the transport planner from farm, port, or

stores. Within this role you must complete daily vehicle and trailer checks for defects prior to taking the vehicle on the road to ensure it is in a roadworthy and legal condition and notify the transport team promptly of any faults disclosed by these inspections which are considered to merit immediate attention. All details of defects must be entered into the vehicle defect log.

Your daily duties will include keeping the vehicle and trailer clean by steam cleaning and sanitising to ensure all hygiene requirements are met and completing all relevant documentation relating to each day's work and returning this to the transport team to ensure compliance with current road haulage legislation and company policy and procedures. You will also be required to weigh the vehicle in and out on the mill weighbridge to ensure that the vehicle is loaded as per details on the M-Tech computer system. You will consistently liaise with other operational areas to ensure the efficient flow of information whilst driving continuous improvement, proactively reviewing current methodology and opportunities to improve efficiency, safety, quality, and performance. As an HGV (C+E) Driver you should perform all duties with due and constant regard for the Health and Safety of yourself, other employees, and those with whom your duties involve contact, including customers and other road users.

Essential Skills and Experience Required

To be successful in this role, the desired candidate should hold a valid HGV (C+E) Licence, CPC Card and Digital Tachograph Card. You should have a working knowledge of Drivers Hours and Working Time Directive Legislation and be able to demonstrate strong skills and experience as an HGV (C+E) driver, preferably with bulk blower experience.

If you are interested in applying for the post, please send your CV and cover letter to HR@2Agriculture.com.
