

## HGV (C+E) Vehicle Technician Stoke Ferry Mill, King's Lynn

**Salary:** £35,443 (inclusive of shift allowance)

**Overtime:** x 1.5

**Additional Benefits:** Company Pension, Life Assurance, Discretionary Bonus Scheme.

**Shift Pattern:** 48 hours per week, working 5 days over 6

2Agriculture are offering an exciting opportunity for a Vehicle Technician to join our team based in Stoke Ferry. It is a fantastic time to join 2Agriculture and play a key role in realising our ambitious growth plans.

### About 2Agriculture

2Agriculture is an independent milling business which has been supplying feed to the poultry industry for the past 50 years.

Every day here at 2Agriculture we work with talented, dedicated colleagues to produce sustainable, premium quality feed enabling our farming partners achieve the highest standards of poultry and positively impact on our health, communities, and the environment.

Service is at the heart of the team at 2Agriculture where over 250 employees work across six sites. Our feed mills operate to the highest standards set for product quality, with a specialist production team monitoring output ensuring zero or minimal mill downtime. Our fleet of over 40 Lorries operate 24/7 ensuring feed arrives on time and in full, with a real focus on biosecurity prior to delivery, on site and during departure.

### Role Profile

Within the Vehicle Technician role, you will carry out maintenance and repairs to Company HGV vehicles in both an efficient and safe manner, complying with all relevant legislation in order to deliver business objectives.

Your daily duties will include diagnosing and performing repairs on Company vehicles and trailers in a timely manner to minimise downtime and ensure the vehicle is in a roadworthy and legal condition. This will involve conducting regular preventative maintenance on vehicles, including inspections, tyre rotation, routine servicing and preparing vehicles for MOT testing, all with constant regard for the Health and Safety of yourself, other employees, and those with whom your duties involve contact. You will have responsibility for assessing requirements and maintaining adequate resources of materials and equipment within the workshop, an aspect of this will be the ability to effectively liaise with suppliers to ensure that budgeted costs and timescales are met. Whilst completing these daily duties you will also be required to complete all relevant documentation relating to each day's work to ensure compliance with current road haulage legislation and Company policy and procedures.

## **Skills and Experience**

The desired candidate should have a relevant HGV Technician qualification with at least 2 years' experience and are comfortable working unsupervised. You should hold a valid HGV Class 1 (C+E) Licence and if you have experience with Blowers and Hydraulics this would be advantageous. We are looking for a team player with strong communication and problem-solving skills.

If you are interested in applying for the post, please send your CV and cover letter to [HR@2agriculture.com](mailto:HR@2agriculture.com). Please note, due to the volume of applications we will only be contacting the candidates selected for interview.
