### Your Role

Our Drivers are a vital aspect of our Company, allowing us to consistently provide excellent customer service by delivering our products efficiently and professionally, whilst also supporting our Mill production team by collecting and delivering raw materials, utilising their expertise of all relevant legislation in order to achieve our business objectives.

Our Transport planner will provide your daily schedule along with any special customer requirements, after arriving at the farm you will tip their feed according to the delivery ticket provided. To protect our farms livestock and the quality of the feed, this involves learning and adhering to biosecurity at all times. Your schedule may also include collecting raw materials from farms, port, or stores.

Within this role you have responsibility for ensuring that the vehicle is clean and road worthy, working closely with the rest of the transport team to disclose any faults with the vehicle thought to merit immediate attention.

### Your Skills and Experience

We are looking for someone that holds a valid HGV (C+E) Licence, CPC Card and Digital Tachograph Card. You should have a working knowledge of Drivers Hours and Working Time Directive Legislation and be able to demonstrate strong skills and experience as an HGV (C+E) driver preferably with bulk blower experience, but training can be provided.

If you are interested in applying for this exciting opportunity and be a valued employee of 2Agriculture, please send your CV to [HR@2Agriculture.com](mailto:HR@2Agriculture.com). Please note, due to the volume of applications we will only be contacting the candidates selected for interview.
