An interesting opportunity has arisen to join 2 Agriculture Ltd as part of the Hygiene Team at their Feed Mill in Billingham.

We are looking for someone who enjoys the challenges of a busy workplace and is passionate about hygiene. The ideal candidate will be reliable, hardworking with a “can do” attitude and take a proactive approach to their work.

Role profile

- To clean all pre-established office and canteen areas, including walls, floors, bathrooms, work surfaces, kitchens and refilling cleaning supplies and toiletries.
- Proactively respond to any incidents or environmental concerns which could negatively impact health and safety and quality standards.
- To maintain the hygiene standard of the Mill in line with UFAS auditing requirements.
- To ensure the Mill is always ready for external and internal visits.

Skills profile

- Previous experience working in a similar role would be advantageous.

Person profile

- Enthusiastic & motivated
- Capable of working independently
- Passionate about hygiene in the workplace
- Can-do attitude
